MEMORANDUM FOR: Deputy Director, National Foreign
Assessment Center

FROM: Don I. Wortman
Deputy Director for Administration

John:

Some time ago you talked to me about the need for improved training for NFAC analysts. I have spent some time with Don Smith going over the whole array of OTR courses, component conducted courses, and external training. I understand that a third offering of a relatively new program called the "Seminar on Intelligence Analysis" is to be held in July for 16 NFAC analysts. I'd suggest that you, Don, and I--plus any others of your staff you want to have involved--sit down and review the bidding with regard to your needs and how well this particular seminar is serving your needs.
